- Praxis II: Art Content Knowledge

TEACHING EXPERIENCE

Three Bridges Elementary School - Student Teacher, Clinical Practice II

OCTOBER 2024 - DECEMBER 2024, Readington Township School District

- Taught and developed lessons for Pre-K to 3rd grade students, building rapport, creating resources, reflecting on pedagogical practices, and taking full teaching responsibilities.
- Assisted with community events, such as the Holiday Card Exchange and composting initiative, and created bulletin boards to showcase student artwork.

Manville Borough High School - Student Teacher, Clinical Practice II

SEPTEMBER 2024 - OCTOBER 2024, Manville Borough School District

- Developed and taught lessons for multiple art classes, including Traditional Crafts, Color and Design, Sculpture, and Self-Contained Art, taking over full teaching responsibilities.
- Assisted with classroom organization, created bulletin boards, and designed banners for homecoming events.

Riverside Elementary School - Student Teacher, Clinical Practice I

APRIL 2024 - MAY 2024, Princeton School District

- Created and taught a two-day crazy quilt lesson for Pre-K and adaptive Pre-K classes.
- Supported Pre-K–5th grade art classes and helped create a hallway ribbon installation for the school Heritage Night celebration.

Stienert High School East - Student Teacher, Clinical Practice I

FEBRUARY 2024 - MARCH 2024, Hamilton School District

- Designed and taught a 10-day color theory lesson for Art Fundamentals classes in collaboration with a fellow student teacher.
- Assisted with classroom activities and prepared student artwork for an art show by backing and labeling pieces.
